Lakeshore Round the Island Challenge

Time Window: July 13, 2020-June 1, 2021

Sponsored by: Lakeshore Resort and Marina

In memory of: Tony Catoe and Sam Shafer

Race Description: The race can be run anytime during the time window listed above. The race will have three winners in the “A racers” and three winners in the “Performance Cruisers.” Thus, six gift certificates will be awarded in total.

The race will begin at the “range marker” start line on the point outside the tire line to the west of the marina. The racer will then proceed **around** the island to the east and back to the start line.

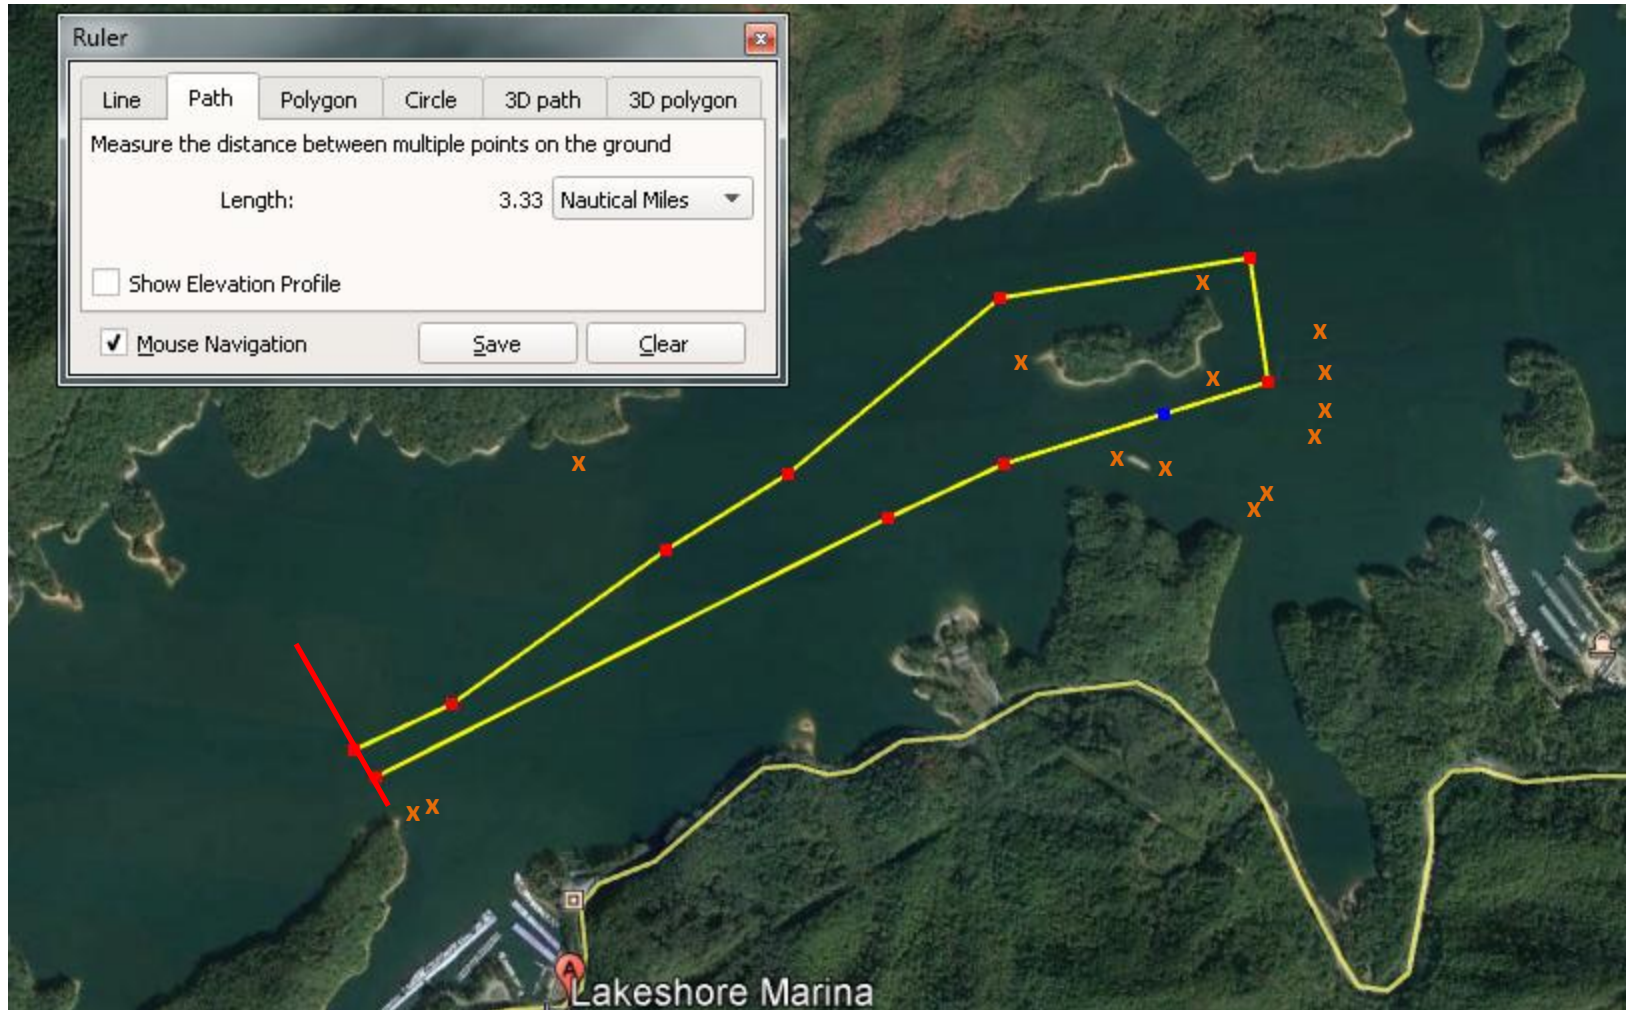

The awards will be \$50 for first, \$30 for second, and \$20 for third in both fleets. The awards will be given to the owner of the vessel and crews can be chosen at the owner’s discretion.

Multiple entries can be submitted per vessel and the best result will be used. The vessel can only win one award. Report results including any necessary PHRF adjustments to James Little at:

wpsc.announcements@gmail.com.

The course and start line description are shown on the next page.
